**RE: NHDES Wetlands Bureau Complaint File #2004-1401, Linton, 16 High Street,  
Epping Tax Map 22 / Lot 138**

Dear Mr. Linton:

On August 8, 2006, personnel from the Department of Environmental Services ("DES") conducted an inspection of the above referenced property. The purpose of the inspection was to determine compliance with RSA 482-A, the New Hampshire Wetlands Law.

As a result of this inspection, it was determined that the deficiencies described in the DES letter of July 15, 2004 have been corrected and no further monitoring is required. A photograph of the site is enclosed. At this time the restoration area is stabilized and the silt fence may be removed. DES will close its enforcement file regarding the Property. DES reserves the right to reopen this matter should additional information be received regarding additional violations on the Property.

Thank you for your assistance to bring this matter to a resolution. Should you have any questions, please contact me at (603) 559-1514 or e-mail me at [dprice@des.state.nh.us](mailto:dprice@des.state.nh.us).

Sincerely,

*David Price*
